AVERAGING 500Welfare Work is Being Carried on
and is Doing Much Good—Miss
Frazier to Take Charge.

The Brogon Mill at Anderson is considered one of the most modern mills in the south, especially in its equipment to afford pleasure and entertainment for its operatives. A good library is maintained, home welfare work is done, and the sanitary conditions are among the best.

The Library.

Just across the street from the mill office stands the library; a neat cottage with a large cool porch where one may sit and enjoy the cool breezes that sweep the hill. This library contains several hundred volumes written by the best authors, and are of such a variety that the most exacting may find something that they will like to read.

Besides the library receives all of the leading newspapers of the state, about six or eight weeklies or periodicals and about 15 monthly magazines. Among the weeklies will be found Lee's, Saturday Evening Post, Collier's, Pictorial Review, the Christian Herald and others. Among the monthly magazines are Pearson's, the Red Book, the World's Work, Woman's Home Companion and others.

The library also has an Edison phonograph and about 100 of the best records. This affords much pleasure. There are also many games there to be played which many find enjoyment in.

Miss Riley, an honor graduate at Winthrop College, is librarian and she exerts every effort to make the building as home-like and comfortable as possible. The furniture in the building is one of the main features and large easy chairs are to be found. On the porch is placed large easy-chairs and it is here that many spend a pleasant hour or so, reading or talking.

A tennis court and a croquet court have just been finished and work on a basketball ground has just been started. These grounds will afford much outdoor amusement.

Welfare Work.

Another helpful feature at the Brogon Mills is the general welfare work which is carried on in connection with the library.

There is a girl's club, a children's club, a ladies' circle, and at present a class in domestic science is being organized. These organizations are proving very helpful to the community.

The general welfare work is done throughout the village; homes are visited regularly, etc.

This welfare work is to be put on in a larger scale in the near future under the direction of Miss Mary Frazier, of Winthrop College, who will spend a part of her time at the mill.

Oakwood Sunday School.

A more progressive Sunday school or one with a larger attendance to the size of the village, cannot be found in the state than at the Oakwood Baptist church near the Brogon Mills. This Sunday school is one that can make those at some of the larger churches in Anderson feel ashamed.

This Sunday school has an average attendance of something over 500 and last Sunday the attendance was 616.

Mr. E. C. White is superintendent and although a young man of 22 years, he is a wide awake Sunday school worker and is always studying up new plans that will make his school a greater success. He took charge at the beginning of this year when there was an average attendance of 100 and has worked so faithfully that he is now superintendent of one of, if not the largest Sunday school in Anderson.

His assistant superintendent is Mr. Floyd English, another wide awake man who is very much interested in his work.

These two men are assisted in the work by the following teachers:

Class No. 1, Rev. J. T. Lawrence.
Class No. 2, Miss Bridges.
Class No. 3, Mr. W. C. Cathey.
Class No. 4, Mrs. S. B. White.
Class No. 5, Mrs. Shearer.
Class No. 6, Mrs. Hardy.
Class No. 7, Mr. Floyd English.
Class No. 8, Mr. J. F. Foster.
Class No. 9, Mr. J. F. Foster.
Class No. 10, Mrs. Gaines.

A recent addition to the building of this church has just been completed, which increases the seating capacity about 40 per cent. This addition will be accepted today and Mr. C. W. Causey, chairman of the building committee, has been asked to make a talk to the school. The building of the Oakwood Baptist church is one of the newest and most up-to-date in the city and is one that the people in that part of the city can feel proud of.

The Rev. L. M. Smith is pastor and preaches twice a month, on the second and fourth Sundays. Services are held in the morning and at night on these Sundays.

RIVERSIDE MILL HAS
FAST TEAM THIS YEARHave Record of Winning 16
Games Out of 20 and Say They
Intend to Keep Record Up.

The Riverside Mill team boasts of having one of the best in this section of the country. They state they have played 20 games and have only lost four, which is indeed a good record. They state that they are in the season to the finish and are anxious to play other teams.

The team is composed of Messrs. Craft, Tinsley, Brewer, Johnson, Hughes, Rogers, Thomas, Stuart and Estes.

PENDLETON

The School Improvement association have just added footlights to the new stage they put in the school hall. They hope to have a new curtain this fall.

It is with much regret that we hear we are to lose two of our teachers, Miss Gertrude Mahaffy, and Miss Ethel Cole, not only were they very good teachers, but unusually pleasant and cultured ladies.

The entertainment last night for the benefit of the church park was very successful. The play was well acted by the young people who took part in it. Miss Lulu Wilson is really a very good amateur actress and took the part of the designing mama in a really wonderful manner. Miss Elsie Foster, as the beautiful but selfish daughter, was not only pretty but good, and Miss Nellie Terrie was a most charming and appealing little step-daughter.

The dance by the little girls was extremely pretty and graceful. They made a delightful picture as they wheeled and curled in the figures of the dance, their dainty forms and bright faces were charming to see.

The tableaux was taken from the advertising pages of the magazines, the audience was asked to guess them, the correct answer winning a box of candy.

Interesting accounts of the amount of grain made in this county is pleasant to hear. Mr. W. B. Wilson threshed fourteen hundred bushels, has enough wheat to give him flour for two years. Another farmer, a former Anderson man if I am not mistaken, who is now living on the old Simpson place, made over four thousand bushels.

Kingman, Ind.—A colt has been born on a farm near Romney, which is minus his front leg. Where the right foreleg should be, there are two legs about six inches long. One of these has the foot of a dog and the other the foot of a calf. The animal is expected to live.

Kas.—An Englishman who publishes a newspaper here which is read largely by Germans, has retained the popularity of his paper by suppressing all war news and not allowing his own opinions to get into his paper.

LEADING BATTERS
IN BIG LEAGUES

Chicago, July 17.—Larry Doyle, of Giants, according to the average published today is batting 326 being second to the National league leader, Daubert of Brooklyn, whose average is 336. Groh of Cincinnati is third with 321.

In the American Cobb increased his batting average to 409 and still leads stolen bases with 56 and runs with 90. Following Cobb are Crawford of Detroit, with 346 and E. Collins of Chicago with 341.

Federal league leaders are Magee of Brooklyn, 346, Kauff of Brooklyn 341 and Walsh of Baltimore 324.

Bud Goodwin Must Fight to Hold His Titles.

Bud Goodwin Mich. McDermott. Perry McGilivray
Walter Pomeroy (in oval)

Bud Goodwin of the New York A. C., the American one-mile swimming champion and record holder, will be a competitor in all the distance events at the Panama-Pacific Exposition carnival of water sports this summer. The fact is especially interesting because the giant Mercury footer, who has been in the racing game for seventeen years, fourteen of which as a national champion, will face the most dangerous rivals in the country, and speculation is rife as to the outcome.

Among those ready to dispute his title of supremacy are Walter Pomeroy, the Pacific coast leader. Perry McGilivray and Michael McDermott of Chicago, easily the fastest swimmers of the Central A. U. district, at distances beyond one mile; and Herman Laubs of St. Louis, champion of the Middle West.

AT ANDERSON MILLBoys Devote Every Friday After-
noon to Practicing—Treat Vis-
itors Very Courteously.

One of the members of the Anderson mill ball team in conversation with a reporter of The Intelligencer yesterday was telling about how hard the boys over there worked for the good of the team.

He said that every Friday afternoon all got through with their work by 5 o'clock and went out on the grounds and put in some hard practice preparatory to the match games on Saturday.

The Anderson mill team is one of the fastest around here and are making a good record this year. The members of the team are very social and always try to give the visiting teams a good time and treat them with due courtesy and respect. They invite anyone to their games, which are generally played on Saturday afternoons.

STERLING LODGE, I. O. O. F.

Was Addressed by Mr. McLeod of Greenville Friday Night.

The members of Sterling Lodge, No. 44, I. O. O. F., had the pleasure of listening to an able address on Friday night by Mr. McLeod, superintendent of the Odd Fellows Orphanage in Greenville. Mr. McLeod is traveling over the state and will visit several of the lodges in his tour.

Herndon, Pa.—Pretty pink toes and the ambition of a snapping turtle nearly caused the drowning of Mae Lesser, 18 years old. While swimming, Miss Lesser suddenly disappeared beneath the water, and when dragged out, a snapping turtle was found clinging to her toe.

Gluck Defeated Orr.
The Gluck and Orr mill teams in the Anderson Mill league played at Orr mills yesterday afternoon. The game resulted in a victory for Gluck, the score being 3 and 2.

The batteries were: Gluck, Edwards and McDonald; Orr, McAllister and Kay.

Won Double Header.

The Riverside Mill baseball team won a double header from the Brogon mill team yesterday afternoon. The score in the first game was 5 and 3, and in the second 5 and 4.

Batteries first game: Riverside, Rogers and Craft; Brogon, Hall and Nixon.

Batteries second game: Riverside, Tinsley and Craft; Brogon, King and Hall.

The features of the games were the heavy hitting of both teams.

Equinox Defeated Orr.

In a game played between the Anderson mill team and second nine of the Equinox will at the formers' grounds yesterday afternoon, Equinox was defeated by the score of 5 to 4.

The game was fast throughout, both pitchers striking out eight men.

The batteries were: Anderson mill: McClellan and Gunter; Equinox: Frady and J. I. Hammond. Umpire Dixon.

The Anderson team is composed of the following men: Messrs. Kilpatrick, Ixon, Gunter, McClellan, Moore, Bowman, Hambrick, Simms and Dwyer.

The Equinox team is composed of Messrs. J. Mauldin, J. I. Hammond, Vaughn, English, Hicks, J. H. Hammond, Jones, Moulder and Frady.
